

# B006 : LEMON JELL

advanced lemon fragrance floor jell

### Description of product

Made from natural citrus oils and vegetable oil derived emulsifiers to be environmentally friendly. Ideal damp mopping solutions for all surfaces. Economical maintenance for polished floors - will not remove or dull polish film at recommended dilution Readily burnished to a slip resistant shine. Perfect for spray cleaning, removes dirt and heel marks with ease.

### Product Uses

For the regular cleaning and maintenance of linoleum, PVC, rubber, sealed cork, sealed wood, terrazzo and thermoplastic floors. N.B Do not use on unsealed wood and cork.

### Directions

For general mopping dilute 'Lemon Jell' 1 part to 100 parts hot water. Mop, allow to dry, burnish if required to improve the shine. For spray burnishing dilute 'Lemon Jell' 1 part to 50 parts water. Spray lightly ahead of machine fitted with appropriate nylon pad. N.B. For maximum floor life we would recommend that floors are polished with Selexel or Diamond Brite prior to regular maintenance with Lemon Jell

**iN Insight Supported**

iN Insight is Selden's interactive product selection and training system. Enables the user to create full COSHH training kits, wallcharts, task cards and more. visit <http://www.selden.co.uk/insight>

**iN Insight recommended product uses**
