

M106 : So Hydrating

moisturising cream for after work

Description of product

SO Hydrating is non tainting moisturiser and after work cream that relieves sore, chapped skin. Contains natural emollients and conditioner to keep skin smooth and supple. Prevents drying skin irritation and dermatitis.

Product Uses

Use as an after work cream when skin has been dried out by solvents, detergents, powders etc.

Directions

Apply a pea sized amount (about 1/4 ml) to clean DRY hands and rub in well, paying particular attention to sensitive areas e.g. around finger nails, broken skin, between fingers etc. The product should rub dry within 30 seconds, if the products is over applied skin will feel sticky, but the excess can be wiped off.

iN Insight Supported
