

K003 : SELFREEZ

chewing gum and sticky substance remover for easy removal from carpets and floors

Description of product

Also suitable for the removal of sticky deposits. Rapidly freezes chewing gum and sticky deposits so that they may be quickly and easily scraped from carpets and furnishings. Freezes down to -80°C. Will not attack fabrics or plastics. Many uses in electronics and components assembly and testing.

Directions

DIRECTIONS: 1. Spray onto sticky substance. 2. Scrape off with a knife when white frost hardens it. 3. If substance softens before removed completely, repeat the above directions. N.B. Use spray at least 15cm from exposed skin, extended spray release may result in cold injury from the can.

iN Insight Supported

iN Insight is Selden's interactive product selection and training system. Enables the user to create full COSHH training kits, wallcharts, task cards and more. visit <http://www.selden.co.uk/insight>

iN Insight recommended product uses

Carpet - chewing gum removal	typical dilution
Special - chewing gum removal	n/a see label

Product Hazards and PPE Requirements

Danger

Contains :

Risk Phrases
Extremely flammable aerosol. Pressurised container. May burst if heated
