

H063 : Act apple daily+

3 in 1 daily toilet cleaner. Removes uric stone.

Description of product

High detergent content for a thorough cleaning action. Fresh apple fragrance to reodourise stale toilet smells. Contains additives to keep water-saving toilets and urinals clear from uric crystals. Viscous high active formula clings longer around the bowl for a more thorough action. Suitable for daily use on stainless steel, chrome and enamel. Septic tank safe - will not affect septic tanks performance.

Product Uses

Suitable for all toilets, urinals and fittings. Ideal for water-saving toilets and urinals which are prone to blocking from uric acid crystals.

Directions

Apply evenly around the bowl under the rim. Give up to 30 minutes contact time before brushing and finally flushing the toilet.

iNsight Supported

iNsight is Selden's interactive product selection and training system. Enables the user to create full COSHH training kits, wallcharts, task cards and more. visit <http://www.selden.co.uk/insight>
