

C053 : Sterile

Alcohol Hand Rub Sanitiser

Description of product

Alcohol rub for rapid and effective hand sanitising

Product Uses

Sterile was developed to meet the requirements of the food, catering and hospitality industries. Quick acting, non-tainting food safe alcohol hand rub approved to both BS EN 1500 and BS EN 2176. Built in skin conditioners prevent drying of skin whilst not leaving any sticky residue. Sterile is equally suitable for frequent use in medical and care service applications. Effective against a wide range of common organisms.

Directions

Apply to clean hands and rub together until dry. No need to rinse. Do not apply to broken skin.

iN Insight Supported

iN Insight is Selden's interactive product selection and training system. Enables the user to create full COSHH training kits, wallcharts, task cards and more. visit <http://www.selden.co.uk/insight>
