

# V400 : FLOOR MAINTAINER

Spray cleaning concentrate

### Description of product

High quality concentrated spray cleaning concentrate containing polymer and wax to add shine and durability to polished floors. Can be damp mopped and then will respond to burnishing with a soft / medium pad.

### Directions

Follow the pictorial guide on the bottle. Squeeze bottle to fill the top reservoir, when the reservoir is full tip the contents into either a trigger spray bottle or a bucket containing warm/hot water. A second dose may be necessary in larger buckets, do not repeat the dose into trigger spray bottles.

**iN Insight Supported**

iN Insight is Selden's interactive product selection and training system. Enables the user to create full COSHH training kits, wallcharts, task cards and more. visit <http://www.selden.co.uk/in insight>

**iN Insight recommended product uses**

Flooring - maintenance (machine)	typical dilution see label
